Summary

Front-End Web Developer leveraging my background in design to offer unique perspectives and collaborations on how end users interact with web applications. Earned a certificate in Full-Stack Web Development from the University of North Carolina at Charlotte. Some technical skills developed are in CSS, Javascript, React.js, MySQL, MongoDB, and responsive web design. Passionate about building applications that deliver an impactful user experience and excited to leverage my skills as part of a fast-paced, quality-driven team.

Skills

HTML, CSS, Javascript, JQuery, Git, React.js, Node.js, Express, MongoDB, MySQL, Bootstrap, Handlebars, TravisCI, ESLint, Project Management, Space Planning, Team Building, CAD, Visual Merchandising
